

Apple Valley Airport Business Tenant Survey

Apple Valley Airport (APV) is conducting an Airport Economic Benefit Study (AEBS) to evaluate the Airport’s economic contributions to the local community as part of the Future Strategic Planning and Policy Program. Airport business tenants play a critical role in generating these economic benefits; therefore, your participation in this survey is requested. Please complete the survey to the best of your ability within 10 days. **Individual responses are not presented in the AEBS report, as all data will be aggregated at the Airport-wide level.**

Please complete this questionnaire based on Calendar Year (CY) 2025 data. Should you have any questions about this study or concerns regarding this questionnaire, please contact **Patrick Heaton, Kimley-Horn AEBS Manager**, at Patrick.Heaton@kimley-horn.com or **Teresa (Tess) Cook, Airport Manager**, at Teresa.Cook@airports.sbcounty.gov. If any questions arise concerning the ongoing Future Strategic Planning and Policy Program, please contact **Kimley-Horn** at StrategicPlans@Kimley-Horn.com.

We greatly appreciate your participation in this questionnaire. Thank you!
